

NEW PRODUCTS!

Wonderstation

MSRP \$2739 Introductory Price \$1995

The Wonderstation includes 3 panels that can be angled to fit even the smallest of spaces and is customizable by theme, (music, theatre, travel, etc.), colour, and panel choices.

The Wonderstation requires installation but does not require safety surface. This fantastic new product is a focal point for activities and inspires imaginative and cooperative play!

Easy Combo Slide

MSRP \$5845 Introductory Price \$4995.00

The Easy Combo Slide is specifically designed for toddlers and small spaces (fall height 5'5", footprint 23' x 16'9") . Easy access for little feet and low to the ground makes this a welcome addition to daycare playspaces. Panels are designed to delight toddlers when not sliding.

Installation & Safety Surface Required.

All panels and colors are customizable (logos, too!)
Slide available with or without roof.

All products CSA compliant.

Installation available at additional charge.
