

FENCES
Gate 4'
NAT-000120

MADE IN FABRIQUÉ AU
CANADA

When children are at play, fencing is imperative to their safety. Active Playground offers a variety of fencing and gate options to ensure play stays within the borders of designated areas. Designed and built to accommodate any site, gates can fold flat against fencing when open to maximize play space. Gates are an excellent way to separate play spaces while allowing movement between when required. Staggered picket configurations are also available to suit any need.

Features

- Easily built to suit each site
- Folds flat against fence for more play space when open (depending on site layout)
- Great to separate play space when needed

Optionally

- Available in various sizes to suit each project:
- 3' Fence
- 4' Fence
- Staggered Fence
- 3' Gate
- 4' Gate
