- Hand-carved hardwood
- Available in various sizes
- Sealed and treated for water resistance
- Unique / One-of-a-kind details

This hand-carved beauty is ready to hit the open waters. Carved from a single hardwood log, this component is sealed and treated for water resistance. The log canoe is the perfect vessel for any fisherman or explorer. Available in various lengths, the log canoe helps little explorers navigate the channels and tributaries of uncharted lands and leads to new and exciting discoveries.
