NAT-000081

IMAGES ARE FOR  
ILLUSTRATIVE PURPOSES  
ONLY. THEY DO NOT  
CORRESPOND TO THE  
FINAL PRODUCT, AS THEY  
ARE HANDCRAFTED  
INDIVIDUALLY.

Hand-carved from hardwood logs, each turtle is as unique as the children who befriend them. Sealed and treated for maximum water resistance, the turtle is a delight to tactile and visual senses and offers an abundance of exploration opportunities. Children can surf the East Australian Current alongside this surfer dude. Turn-taking and sharing are exhibited as children swim with this friendly little guy wherever the currents and their imagination take them.
