

NATURAL PLAY PANELS

Chalkboard Panel Freestanding Deluxe

NAT-000123

- Wooden ledge for chalk storage during use
- Easy to clean with mild soap and water
- Double sided panels available

Another medium of expression for little artists, the chalkboard panel is constructed with a wooden tray for easy chalk storage. With simple soap and water clean-up, the chalkboard panel develops children's communication skills. With double-sided panels available, this component comes in both large and small options and can be freestanding or wall mounted. The chalkboard panel brings the classic childhood pastime of outdoor drawing to any playground.
