

SHADES Drive Thru Pergola

NAT-000067

- Double drive through windows available
- Pergola can be partially or fully covered
- Easily adds vertical interest to play space

Children benefit from visual sensory processing and parallel, joint, or cooperative play with the drive-thru pergola. Whether testing their customer-service skills, keeping a watchful eye on castle grounds, or even watching the deep blue waters of the ocean, with the drive-thru window imagination is on full display. With one or two window panels available, the pergola can be fully or partially covered allowing for maximum shade protection, or vitamin D intake.
