GaGa is a fast paced, high energy sport that is played in an octagonal shaped pit. The more players in the pit at one time, the better! GaGa is considered a kinder, gentler version of dodgeball. It is played with a soft foam ball, & combines the skills of dodging, striking, running, and jumping, while trying to hit opponents with a ball below the knees. Players need to keep moving to avoid getting hit by the ball. GaGa is fun, it's easy, and everyone gets a serious workout.
