

GaGa Ball Pit Game Rules

The Official Game Rules of GaGa Ball:

It's super simple. Basically, several players and a ball enter into the GaGa Pit. It's everyone for him or herself; if the ball touches you below the knee, you're out. The last one in the pit wins. Then, everyone hops back in for the next round. Games last no more than five minutes. It's fast, it's sweaty and it's really addictive.

- All players start with one hand touching a wall of the pit.
- The game begins with a referee throwing the ball into the center of the pit.
- When the ball enters the pit, the players call 'GA' for the first two bounces, and 'GO' on the third bounce, after which the ball is in play.
- Once the ball is in play, any player can hit the ball with an open or closed hand.
- If a ball is caught on a fly, the player who hit the ball is out.
- If a ball touches a player below the knee (even if the player hits himself or herself) they are out & leave the pit. If a player is hit above the knees, play continues.
- Using the walls of the pit to aid in jumping is allowed as long as the player does not sit continuously on the ledge of the octagon.
- Players cannot hold the ball.
- If needed, a second ball can be thrown in the pit to expedite the end of the game. The last player standing is the winner of that round.
