- Hand-carved log-car with two seats
- Heavy-duty HDPE steering wheel with 360° rotation
- Sealed and treated for water resistance
- Hardwood logs
- Ground-level play

The vehicle for imagination and exploration, this hand-carved log car features two seats encouraging parallel, joint, or cooperative play while children adventure together. The heavy-duty HDPE steering wheel provides 360-degree rotation, which strengthens hand-eye coordination and encourages role-play. The log car is treated and sealed to assist in water resistance. This piece will safely steer children through any adventure, navigating anywhere their imagination may lead.
