

NATURAL PLAY TABLES **Play Table Toddler**

NAT-000007

- Ships with one pack of various-sized, sanded wooden blocks
- Available in 18" and 22" heights
- 360-degrees of play
- Numerous applications and play opportunities

Future construction workers, engineers, and architects alike can put their skills to the test with the play table with wooden blocks. Available in infant and toddler heights the play table ships with various sized, sanded blocks. Building and designing as a team encourages parallel, joint, or cooperative play, and sharing, while tactile, visual and vestibular skills are honed. Building and designing together, the play table offers an inspired outlet for children to unlock their ingenuity.
