Satisfy the need for speed with Active Playground's race track. Available in both infant and toddler heights, the deluxe model is equipped with a convenient parking garage under the track. Made with high-quality HDPE plastic for fade and damage resistance, the racetrack improves coordination, motor planning, hand-eye coordination. To strategically navigating the track and lock-down a win, children utilize problem solving (logic and reasoning) and focus. On your mark. Get set. Go!
