

NATURAL PLAY TABLES Water Table Toddler

NAT-000008

- Water tray easily removed for cleaning and storage
- Easy installation
- Available in 18" and 22" heights
- Ample counter space

Available in infant and toddler heights, showcasing one large sink, and with or without a bottom shelf, the water table offers a perfect space to experiment with water and other playground materials. With easily removeable trays for cleaning and storage, your little scientists are free to complete messy investigations, developing their tactile and visual processing skills. Expressive and receptive language flourish as your little Einstein's work together on their latest and greatest scientific breakthroughs.
